Our Principal

Mrs. Saroj Jaiswal quotes “we spare no efforts to make the educational experience of our students meaningful and relevant to the socio-economic needs of the times and to equip our youth to face the challenges of the future for leading the society from the front, while ensuring that at the same time they are enjoying their experience of learning”.

The learning process in our student-friendly, child-centric, inclusive school, helps them to chase their dreams and shapes them to be socially responsible, morally healthy and productive citizens of this world. Creating respect for our tradition, human values, culture and heritage is a part of our school environment”.

‘Education is the most powerful weapon which you can use to change the world’

..Nelson Mandela.

VISION & MISSION

Our Vision

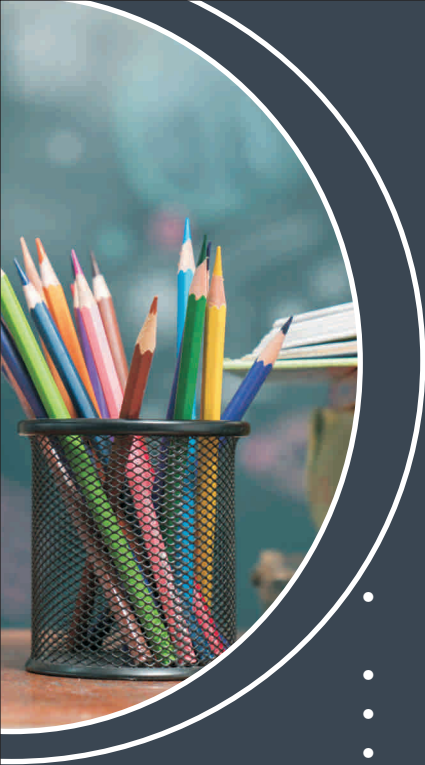

is to transform lives by creating and sharing Knowledge, while instilling values that prepare leaders for tomorrow.

Our Mission

The advent of the new millennium herald dizzying developments in technology and deep changes in the environment and in the patterns of socio-economic strata that greatly influence the way humans live. Subsequently, the impact on the entire human race has been deep, manifold and almost seemingly irreversible. The corresponding changes in the human social outlook and in the way people issue responses to social conditions further drive complex mutations in the interactions of social forces in society as a whole. At the same time, society copes with the challenges of having to redefine itself. It is in this scenario that DPS sees itself leading a pivotal role in developing and establishing new approaches to proactive living and constructivist education in west Bengal.

“ An investment in knowledge pays the best interest.
~ Benjamin Franklin ”

Our Motto

Education for
the new
Millennium.

The optimum and fore mostly Effective CBSE based Curriculum

DPS , Raiganj caters the central board of secondary education (CBSE) based curriculum which uses a variety of engaging teaching and learning methodologies that challenge and motivate learners to excel. The school advocates to provide quality education to promote intellectual, social, and cultural vivacity among its learners.

The curriculum commits to provide a stress free learning that will develop competent , confident and enterprising citizens who will strive to promote harmony and peace in the society.

I Learn.....
...I Evolve !

The school helps its children in their journey from learning to evolving. It offers learning and living a new perspective each day . Thus our guidance is that education must inspire the student to volve into an aspiration and impressionable leader with all-round development.

Let every little mind be free to go beyond the four walls of the classroom to discover themselves and evolve into a better being by inquiring ,seeking answers , challenging facts and drawing one's own inferences ,each child finds freedom as well as requisite guidance to chart the unique learning path with joy and ability.
